

The Center for Intensive English Studies

Over 35 Years of Excellence in English Language Instruction

The Center for Intensive English Studies

Our Mission: *To achieve excellence in all areas of second language pedagogy while helping our students succeed at Florida State University and across the globe.*

CIES has three programs:

- EAP– English for Academic Purposes (for FSU international scholars– graduate students, post docs, faculty)
- IEP– Intensive English Program (for students who want to improve their English for academic or professional purposes)
- TEFL– Teaching English as a Foreign Language Program (for students who wish to teach English abroad).

The Center for Intensive English Studies

Why should Post-Docs be interested?

- Work and interact successfully with FSU colleagues– avoid cultural misunderstanding
- Present your research with confidence
- Prepare yourself for the job market in a global society
- Spouse interested in improving their English

The Center for Intensive English Studies

- ▶ Between 30–40 students enroll in EAP courses in Fall and Spring.
- The EAP classes are usually limited to 8–10 students
- Focus is on communication that is appropriate in the United States
